**Date:** June 21, 2011      **Telephone:** (877) 473-9989

The purpose of this Market Information Circular (MIC) is to detail a change to the Market Maker quoting obligations.

## **Subject: Market Maker Quoting Obligations**

Starting Wednesday, June 22, 2011, ISE is making a change to its Market Maker quoting obligations. Specifically, initial Market Maker quotes must be for a minimum of 10 contracts, reflecting a reversal of the change implemented on June 9, 2011. However, please note that underlying securities priced above \$200 will retain the 1-contract minimum quote requirement (see chart below).

Any changes to this list will be communicated via MIC.
