1. NASDAQ PHLX LLC, The NASDAQ Options Market LLC, and NASDAQ BX Options, Inc. General 2, Section 22 allows market participants to enter into sponsored access relationships. Sponsored Access is defined in these rules as an arrangement whereby a member, member organization or Participant permits its customers to enter orders into the exchange's trading system that bypass the member's, member organization's or Participant's trading system and are routed directly to the exchange, including routing through a service bureau or other third-party technology provider.
2. You understand that NASDAQ provides a best effort attempt to cancel orders upon disconnection if you've elected this service. In the event your connection is disconnected, you understand that you are required to call the NASDAQ Options Market Operations at 215-496-1571 to check the status orders. There is no guaranty that the automatic cancel feature provided by NASDAQ will be error free or operate without interruption. By signing below, you agree and acknowledge that NASDAQ is not liable or responsible in any way for any orders which may fail to be cancelled using the automatic cancel feature.
3. All firms accessing via a Service Bureau are required to sign the Service Bureau Agreement (<http://www.nasdaqtrader.com/content/AdministrationSupport/AgreementsTrading/nwiiagreement.pdf>). All services and products requested on this form are governed by the terms in the NASDAQ U.S. Services agreement NASDAQ U.S. Services agreement and the NASDAQ Transaction Services Policies document. If you do not receive a written confirmation from NASDAQ within 3 business days that your request has been received and processed, please contact NASDAQ Subscriber Services at 212 231 5180 or subscriber@nasdaq.com.

FIX ports are charged per logical port (Source/Mnemonic combination).

Please be advised that beginning on January 2, 2013, all new port requests from subscribers must be received no later than 3:00PM EST to guarantee processing for the next trading day. In the event that Nasdaq receives a request after 3:00PM EST, every effort will be made by Subscriber Services to process the request for the next day, but delivery will not be guaranteed. In all cases, Subscriber Services will respond promptly with an estimated date of completion.
