Subject: ISE Disaster Recovery Test

The purpose of this Market Information Circular (MIC) is to notify Members that the ISE will be conducting an Exchange Disaster Recovery Test on June 27, 2009.

Although not mandatory, Members are asked to participate in this important exercise. The goal is to have quotes and orders entered and executed while we document our failover from our primary to backup sites. The proposed timeline is as follows:

<u>ACTION</u>	<u>TARGET TIME (EST)</u>
Member / Internal login and setup	8:00 – 9:30
Market Open	9:30
Mock trading	9:30 – 9:45
DISASTER RECOVERY SIMULATION BEGINS	
Sever inter-site network connectivity	9:45
Perform network and application recovery	9:50 – 10:45
Resume mock trading	11:00 – 11:15
Prepare OPTIONS trading systems for single site EOD	11:15 – 11:45
Close OPTIONS markets	11:30
Execute OPTIONS single site EOD	11:30 – 13:00
Recycle all other environments	12:30 – 13:00
