

RussellTick Approved Distributors

As of October 21, 2010

NASDAQ OMX and Russell Investments recently launched [RussellTick™](#), a premier data feed that consolidates the distribution of the real-time Russell Family of Indexes, including the industry-leading small-cap Russell 2000 and broad-market Russell 3000 indexes. Firms can receive RussellTick directly from NASDAQ OMX — via [co-location](#), an [extranet](#) or [direct connectivity](#) provider — or choose from the list of approved distributors below:

- **Activ Financial**
